THOMAS M. FLYNN SUCCUMBED IN SAN FRANCISCO THURSDAY

The many friends of Thomas M. Flynn were grieved to learn of his death which took place at the Lane hospital in San Francisco on Thursday afternoon.

At his bedside when he breathed his last were his brother, D. P. Flynn, the county assessor, and his cousin, Mrs. Mary Limbaugh. The end was peaceful. He sank into a deep sleep and passed away.

Mr. Flynn was taken ill about three months ago and some six weeks since was removed to the Lane hospital in San Francisco where the best medical assistance was secured.

Among the specialists who attended him were Dr. Gallwey, Dr. Somers, Dr. McGittigan, Dr. Cooper, and Dr. Mortensen. These medical experts did everything known to the profession to aid the sick man.

Mr. Flynn suffered from a lack of blood in his system. He had three infusions of blood and this appeared to give him relief. Last week it was thought he would recover. After an infusion last Tuesday he felt much better, the physicians giving hope of his recovery.

Mr. Flynn was the youngest son of the late Mr. and Mrs. Martin Flynn, pioneers of Redwood City, and was born here 42 years ago. Graduating from the grammar school at an early age he began his career as a successful farmer. Later he engaged in the

livery business here retiring from that occupation some years ago to take over the contracting business of his brother, D. P. Flynn, who was appointed County Assessor. Mr. Flynn engaged in this pursuit and also farmed considerable land at Atherton. He was a successful agriculturalist and contractor, doing nearly all the work of the wealthy residents of Atherton and Woodside. He accumulated a snug fortune. His only near relatives is his brother, D. P. Flynn.

Thomas Flynn was a progressive, broad gauged citizen, upright, honest and truthful. Those who knew him loved him for his many ways and strict sense of justice. He was an industrious man, full of energy and ever ready to extend a helping hand to those in distress. His death is a severe shock to his many friends in San Mateo county where he was held in high esteem by everyone. Mr. Flynn was a member of the Elks lodge of San Mateo. This was the only fraternal society he was a member of.

The funeral will take place this morning from the residence of D. P. Flynn, No. 18 Jefferson street at 9:30 o'clock, thence to Mount Carmel church where a requiem solemn high mass will be celebrated at 10 o'clock. Interment will be in Holy Cross cemetery, Menlo Park, where his parents are buried.

WOODSIDE NOTES

The pupils of the Portola school are doing their part toward reducing the H. C. L. Nearly every pupil is a member of the United States School Garden Army, and vegetables grown by them would do credit to many older gardeners. Some of the products may be seen in the windows of the real estate office of Lambert and Walter, and Superintendent of Schools Roy W. Cloud has also received samples. The ages of the children range from seven to 14 years.

Mrs. S. L. Westcott was given a surprise by her friends at her beautiful home at Woodside last Wednesday. The Westcott gardens are the most attractive of any in Woodside and under the wide-spreading trees the guests masqueraded and delighted in viewing the matchless flowers. Tea was served late in the afternoon. Among those present were: Mr. and Mrs. B. St. John, Mrs. Harry Jenkins, Mrs. Fred McCall, Mrs. Felix Casan, Mrs. C. Dalve, Mrs. Kate Bumgardner, Mrs. N. Andreen, Mrs. A. Tripp, Clara and May Huddart, Mrs. S. L. Westcott, Mrs. F. Clamner and Mrs. A. Nelson.

GRAND BALL AT LA HONDA TAKES PLACE THIS EVENING

The second grand ball at Bonzagni Lodge, La Honda, takes place this evening. Dance goesers throughout the peninsula have been looking forward to this event with big anticipations, knowing that the evening will be one of enjoyment and merriment. As Mr. Bonzagni is noted for the supper he prepares there will be a rush for the dining room when meal time is announced. A four-piece orchestra will furnish the music. Dancing all night. Admission 50 cents, ladies free.

CARLO VERNENZO WAS GRANTED A DIVORCE

Judge Buck on Thursday granted an interlocutory decree of divorce to Carlo Vernengo from F. Vernengo. The custody of the minor child and all the community property were given to the plaintiff.

'APPRAISER APPOINTED

Judge Buck has appointed H. W. Schaberg inheritance tax appraiser of the estate of Eugene Demidder, deceased.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Six horses owned by J. W. Paulson of Palo Alto, and pastured on the Sweeney ranch leased by George Y. Bollinger were killed by a Southern Pacific freight train on the Dumbarton cut-off on Wednesday. Another horse belonging to James L. Flood of Menlo Park was badly injured. The animals were valued at \$200 each. According to Bollinger, the horses were killed at points extending over half a mile and he says the crew of the train must have been very negligent. The horses were pastured in a field adjoining the railroad managed to stray on to the right-of-way.

Roy Rasmussen, who resides with his parents at Atherton, went to drive the cattle from the field at his home Tuesday morning when he discovered a deer grazing with the cows. He secured his rifle and went to the buck which weighed 150 pounds. The deer was evidently driven from the mountains by dogs and sought security with the cattle.

Mrs. Schaffer, formerly police-woman at Camp Fremont, Menlo Park, and up until a few days ago in charge of the canteen at the Quartermaster's department at the camp, has turned over the canteen to others and will move to San Francisco. Mrs. Schaffer has resided here since early in 1918 coming here from San Bruno after her appointment by the supervisors as police-woman for the canteen.

The beautiful home of Mr. and Mrs. Clinton Dobbins on Arch street was purchased during the week by T. C. McGovern through Robert J. Lett, the real estate man. Mr. Lett has several other bargains in the park district and numerous five and ten acre tracts for sale.

Mrs. A. J. Fromm was here from Alameda on Wednesday calling on her many friends. Mrs. Fromm delights in coming to Redwood City where she spent many years and where she is held in high esteem.

Superintendent of Schools Roy W. Cloud, returned on Sunday from the Yosemite where he spent a pleasant week attending the annual session of the School Superintendents of the state. He was honored by that convention in being made the vice-president of the meeting. The honor came unsolicited.

J. F. Johnston has purchased a new Buick No. 6 automobile. Mr. Johnston is an expert at the wheel and will never become a member of the speed burner class.

Three Koreans have become students of the Redwood City Aviation school and they vow that if Japanese are admitted to the institution they will leave. This shows the bitterness between the two classes. They say that their countrymen are going to study the air and become expert birdmen so that when they are ready, will be in a position to strike Japan a heavy blow. The Chinese students at the school have the same sentiments. The Chinese consul was at the school last Sunday and in the course of a speech made to the Chinese aviators said: "If these schools we will be able to train men that will win back Shantung by force, if diplomacy and arbitration fail." He congratulated the patriotic Chinese of the Pacific coast who have subscribed to the project and uniforms and motorcycles in first class condition, in fact pay for the upkeep of both.

Mr. Ciceli has sold block 17 in the Eastern Addition to Redwood City to Mr. Truett of San Francisco who is to erect a fine residence on the property. The land is located near the proposed site of the Prot-Lowe Cannery company.

J. T. Larkin, boatswain in the U. S. navy and a resident of the Redwood Highlands, who has just returned from New York where he made many trips across the Atlantic bringing soldiers home from France. Mr. Larkin has been in the navy for 24 years and on November next will retire with a nice pension. Mr. Larkin made five trips to France during the war. He wears a service medal for excellent conduct. Mr. Larkin is naturally very proud of the medal but few are awarded by the government. Mr. Larkin owns his home here and after retirement will live in Redwood City. The Commercial Club's big dance in "Foresters" hall this evening has been the talk of the town all week and there is certain to be a large attendance. Those who attend may be assured of an enjoyable time. The club is composed of all the prominent young men of Redwood City.

SUSIE BRIDGEWATER MARRIES MR. MONEY

Miss Susie Bridgewater, a former Redwood City girl and for some time a teacher in the South San Francisco school department, was united in marriage to Leonard Money, a steel worker at the Pacific Coast Steel company's plant at South San Francisco, in San Francisco on Thursday evening. The fair bride is a graduate of the local high school and the San Jose normal school. Her parents left Redwood City a year ago and are residing at Salinas. The young couple will reside in the city. They were class mates in their youth, the attachment for each other commenced and culminated in the marriage on Thursday evening.

OFFICER M. F. BROWN GETS STATE BILLET

Michael F. Brown, chief traffic officer in San Mateo county for many years, has been appointed a State motor vehicle inspector and will leave soon for the University to take a course at a special school of instruction for the new State inspectors. He will resign his position as a member of the San Mateo county traffic squad and devote his entire time to his new duties, which will require him to visit all parts of the State. James Dalziel, who has been filling Mr. Brown's position as traffic officer in the second township while Brown has been assisting in organization work for the State Traffic Officers' Association, will probably be given the permanent appointment, as he has given complete satisfaction.

Brown is secretary of the State Traffic Officers' Association and is considered an expert on traffic laws.

THE REDWOOD CITY GIRLS' CENTER HAS CLOSED ITS DOORS

The Redwood City girls' center, of which Miss Elsa Nagel, a former Palo Alto and Stanford girl, is secretary, closed yesterday in accordance with a decision of the Pacific Coast War Work Council of the Y. W. C. A. Although the interest in the center on the part of the few peninsula women is and has been most gratifying, the association feels that the interest is not sufficiently widespread in the community to warrant the expenditure necessary to continue the center. In such matters it is always a question not merely of money but also of volunteer workers and loyal committees, entailing such services and time. So the center will close as a public activity. The local committee, however, has permission to use the rooms, at its discretion, until the expiration of the lease, about January 1, 1920.

APPLIES FOR LETTERS

Sarah E. Camp has applied in the superior court for letters of administration upon the estate of Charles E. Camp, who died on July 18, 1919. The estate consists of the family residence at San Mateo, valued at \$1200, 160 acres of land in Mendocino county worth \$480 and furniture valued at \$500.

ROY MCAULIFFE TO MARRY SOON

An announcement of interest is the approaching marriage of Roy McAuliffe, son of Mr. and Mrs. Joseph P. McAuliffe of this city, to Miss Loretta Hardy of San Francisco. The bride-elect, has been connected with the school department in Portland for the past two years, prior to which time she taught in San Mateo county on the coast side and it was there, while McAuliffe was doing surveying work, that the young couple met.

McAuliffe has just received his discharge from the army after serving twenty-two months overseas as a sergeant with the Eighteenth Engineers. He was one of the first Redwood boys to enlist and the first to be sent to France. His two brothers Eugene and Edward, were also the service, the former a lieutenant in the Engineers' Corps and the latter in the navy. A sister, Miss Marie McAuliffe, the only girl in the family, gave her services as a yeomanette. The wedding will take place next month in San Francisco.

CITIZENSHIP PAPERS ARE ISSUED TO LARGE CLASS OF DESIRABLES

The prospective citizens assembled in Judge Buck's court on Tuesday morning were impressed with the naturalization ceremony inaugurated for their benefit to impress upon them the responsibility placed upon all aliens who become citizens of this great country.

Judge Buck explained that in order that the candidates for citizenship might more fully appreciate the great privileges they were about to receive at the hands of the government, Mrs. Charles Godfrey, president of the San Mateo Federation of Parent-Teachers clubs would present a short program. Mrs. Godfrey gave a brief talk on the practical duties of a citizen and upon the greater duty of leaving the ideals of American citizenship. She presented each applicant with a copy of the "Spirit of Nations" and welcomed them on the part of every loyal American. A group of public school boys recited the flag and the entire gathering led by Mrs. James Cole of San Mateo, sang America. Immediately following the program, the examinations were conducted.

WIFE SUES FOR MAINTENANCE

Gladys Bello, through her attorney, J. J. Bullock, has brought a suit in the superior court against her husband, Victor Bello, for maintenance. The parties to the action were married in San Francisco in 1914 and separated at Halfmoon Bay on May 20, 1918. They have one child. The defendant is a dairyman earning \$80 a month. Mrs. Bello asks for \$50 a month for the support of herself and child.

SISTER APPLIES FOR LETTERS

Mrs. Elena Ricci has applied in the superior court for letters of administration upon the estate of A. Gianotti, who died on August 8, 1919. The estate comprises money in bank amounting to \$945.35 and a liberty bond valued at \$500. The petitioner is a sister of the deceased and resides at Halfmoon Bay.

ADDITIONAL MENLO ITEMS

The family of J. Henry Myer, whose beautiful Menlo Heights country home was burned to the ground last week, are anxious to express their gratitude to all those who aided them in saving at least a part of their household goods and valuable furnishings from the flames. Neighbors and Stanford students and the fire department, were prompt and efficient and deserving of praise.

The schooner has just returned from Washington where he went to negotiate the purchase of the Cruiser Milwaukee wrecked at Eureka in 1917. The vessel had a large cargo among which was 61 miles of copper piping. Mr. Schneider says the salvage will amount to over \$1,500,000. A large bridge is to be constructed out to the cruiser which lies about 200 feet from the shore in the Eureka harbor. The cruiser was wrecked on the rocks.

Wholesale milkmen who heretofore shipped their product by rail are now sending it to San Francisco in motor trucks. They gather during the early morning hours near the corner of Oak Grove avenue and the highway, dumping their empty cans on the sidewalk, awakening everyone within a half mile of the block. Residents in that section are bitterly complaining and unless the practice is stopped they will take the matter before the board of supervisors.

COUNTY TREASURER CHAMBERLAIN WILL LEAVE FOR GRAND ARMY ENCAMPMENT NEXT WEDNESDAY

the old homestead in Minnesota. Returning by way of Seattle will visit all points of interest in the north. The annual convention of the Ladies' Relief Corps will also take place at Columbus. The ladies from Redwood City who will attend are Mrs. G. Winter, Mrs. Boyer, Mrs. J. N. Winter and Mrs. Kenneth Murray. They will travel east together and will have a pleasant time on the trip.

PESCADERO MAY HAVE A NEW STATE BANK

Mr. Bettencourt, president of the Bank of Halfmoon Bay has applied to the State Bank Commissioners for a permit to establish a bank at Pescadero. A bank is also to be established at San Bruno. San Francisco and San Mateo capitalists have organized a company to found the institution and will soon apply to the commission for a permit.

THE SUPERVISORS HOLD MEETING

The board of supervisors met in adjourned session Monday, August 25, 1919, at 10 o'clock, there being present John MacBain, presiding; T. L. Hickey, W. H. Brown, Jos. M. Francis and Dr. C. V. Thompson.

County Treasurer P. P. Chamberlain submitted a report showing that he had credited to the Good Roads fund the sum of \$17,485.30, which amount represented license fees paid into the state for automobiles registered from this county, and State automobile fines.

On motion of Thompson, seconded by Brown, it was ordered that this money be transferred from the Good Roads fund to the District Good Roads fund, so as to allow each district the sum of \$3497.06, or one-fifth of the total.

In connection with the above, Supervisor Brown addressed the board and urged that something be done to induce more San Mateo county owners of automobiles to register their cars from their own county rather than from the outside.

On his motion, seconded by Hickey, it was decided to have Purchasing Agent Werder procure cards for distribution by the traffic officers among motorists, requesting that they register their cars from San Mateo county, the cards to explain the purpose thereof.

Attorney J. E. Harper of San Francisco appeared before the board in the interest of Miss Katherine Fisher, who a few weeks ago filed a communication with the supervisors asking for the \$500 reward that had been offered by them for information leading to the arrest and conviction of the murderer of Miss Inez Reed, the army nurse.

Chairman MacBain informed Mr. Harper that the board did not intend taking any action in the matter of paying the reward until the case had been settled in the supreme court, to which it had been appealed.

District Attorney Swate stated that in his opinion the payment of the reward, according to the reading of the minutes at the time it was offered, was hardly conditional upon whether or not the higher court confirmed the decision of the jury in this case. He said that undoubtedly Miss Fisher was the person entitled to the reward, as it was largely upon her information and evidence that Dr. Northcott was arrested and found guilty. He called attention to the fact that both Duncan and McPherson, chief of detectives and Sergeant Goff of the San Francisco police department had waived all claim to the reward. The district attorney predicted that the case would be pending in the supreme court for at least a year.

The board refused, however, to take any action in the matter until the supreme court rendered its decision.

A communication was received from W. J. Murray, chairman of the Pulgas Mosquito Abatement district, in which it was estimated that the sum of \$8,000 would be required for the maintenance of the district during the coming fiscal year. A copy of the communication was ordered sent to the county auditor, on motion of Brown, seconded by Hickey, for his information.

Sergeant Sylvester, chief of the San Francisco traffic squad, appeared before the board to secure the co-operation of San Mateo county and its traffic department in handling the traffic on next Monday when the big caravan of automobiles proceeds up the coastside boulevard from Santa Cruz to San Francisco in connection with the arrival of the fleet on that day. Sergeant Sylvester stated that it was estimated that fully 10,000 autos would be in the caravan and told of the plans that had been made to handle the traffic. He asked the board to close the coastside boulevard to all south-going traffic except that bent on business.

The board and Sergeant Sylvester that every assistance possible would be rendered him on the above day, and the question of the county's co-operation in the matter of handling the traffic was left in the hands of District Attorney Swate. Chairman MacBain declared a recess at 12:30 P. M. until 1:30 P. M. when the board met with Dr. W. P. Lucas of the University of California, who had been recently appointed by the supervisors to make a survey of the health conditions in San Mateo county.

Dr. Lucas confined himself to making a preliminary report on the hospital situation, supplying the board with information required in connection with the building of a new institution in the county, provision for which may be made in the tax levy next Tuesday.

Taking up the matter of the kind of hospital the board should build, Dr. Lucas said this depended upon the needs of the county and just what the needs of the county will be, he said, are rather a difficult question to answer. One with 100 beds would be sufficient for that year, showing the total number of cases that had been reported in San Mateo county. Just what per cent of these could be considered county cases, would be rather difficult to estimate, he said. The reports for that year gave the total number of births in the county at about 500 and the deaths at between 360 and 400. San Mateo county, according to the government reports, has the best climatic conditions of any locality in the state for good health.

Dr. Lucas called attention to the small amount of money spent per capita in the county for its health program, as compared with the amounts spent on roads, schools and for other purposes. Taking up the question of the size of the hospital the county should build, Dr. Lucas suggested that for the present one with 100 beds would be sufficient, which would be at the rate of one for every 400 inhabitants. The hospital should be thoroughly equipped and in the section assigned for general use, he suggested that the beds be arranged in groups of not more than four to a group. He also outlined a plan for constructing the section of the hospital for the care of contagious diseases, which should be entirely separate from the main section. Dr. Lucas recommended that the county farm and the hospital be kept separate, he pointed out that these are two entirely distinct institutions.

Charles Weeden, son of Mr. and Mrs. Harry Weeden, arrived home from overseas this week. He was nearly two years in the army leaving with the 319 Engineers from here last August. The 319 Engineers was one of the few units of the eighth division that reached the other side. The whole division was on the water when it was called back, the armistice having been signed shortly after. Young Weeden saw some active service.

William Feeley, who recently arrived home from France, was given reception by his many young friends at the home of his parents on Oak Grove avenue. Dancing and singing were indulged in until a late hour when delightful refreshments were served. Young Feeley gave a detailed and stirring account of his experiences at the front.

St. Joseph's Parochial school will open for the fall term next Wednesday, September 4. There will be a large freshman class. There are to be a number of new teachers. Madame Foley, principal of the institution, has gone to Chicago to

The people of the peninsula and especially those in Menlo Park, will be extremely sorry to learn that Mr. Sergei Rachmaninoff, the great Russian composer-pianist, who has been occupying a home here for the past year, will leave on the first of September for New York.

The presence of Mr. Rachmaninoff and his interesting family here has been an honor to Menlo Park and we sincerely hope that he will return from New York as soon as his affairs permit, to take up his residence once more among us.

Mr. Rachmaninoff is so unassuming that many of us were unaware that we had living quietly in our midst, the man of whom the New York Evening Mail says: "In his triple capacity of composer, conductor and pianist, he is one of the greatest, if not the greatest musician in the world today. Mr. Rachmaninoff was born in Novogorod and studied with the greatest masters of Russia. At the outbreak of the war the general upheaval in Russia sent Mr. Rachmaninoff and his wife to this country as exiles."

His popularity has steadily grown since he arrived here and his compositions are the feature numbers on concert programs in all the large cities.

Mr. Rachmaninoff recently consented to have his performance of several numbers recited by the Edison phonograph so future generations may be familiar with the work of the genius of music.

Mr. and Mrs. Roy Button and their two pretty daughters have moved to Palo Alto to reside after living here for several years. Mr. Button assisted in the construction of Camp Fremont.

The formal opening or house-warming of the Menlo Park new fire house will take place on Saturday evening, September 6. All are invited to attend.

Mr. and Mrs. Mack Toner will leave for Los Angeles today to reside. Mr. Toner is going to engage in the moving picture business.
The Bambergers who have occupied the T. C. Walker place at Atherton all summer have returned to the east.
The many friends of Mr. W. W. Ashe in Menlo Park and Atherton will be pleased to hear of his recovery from a serious accident incurred several weeks ago at his ranch at Sonoma. Mr. Ashe formerly was connected with Camp Fremont.

The Pacific Telephone and Telegraph company has settled with all the patrons for the time the system was tied up by the recent strike. The greedy corporation, which has been in the business for 34 years when as a matter of fact the patrons did not use the system for a period of five weeks. The company permitted the girls to go back to work only increasing their pay slightly.

The girls are not going to adhere to this but are striking on October 1st. The workers have the people behind them in their effort to ring from the greedy corporation a living wage. The demands of the girls are just and it is to be hoped, they will get all they ask.

A marriage license was issued in San Jose Monday to Frederick William Kreiss, 35, of Palo Alto, and Miss Emily M. Cullin, 39, of San Francisco. Kreiss is a painter and has been living on Lytton avenue. He is a brother of Town Trustee Geo. Kreiss and is well-known here.

On Tuesday last a deed was filed in the county recorder's office whereby Mrs. Lizzie M. Nash transfers to Doris Leeming of San Francisco her home in Wellesley Park. The revenue stamps on the instrument would indicate that the sum of \$7,500 was paid for the choice property.

Mrs. R. A. S. Pesca, owner of the Sweeney ranch near town, is erecting a neat farm house on the property for new tenants who are to cultivate tomatoes and berries at the further end of the ranch where a fine flowing well was recently drilled. Two hundred acres are to be sown in tomatoes and berries.
